

SCHOLARSHIP REGULATIONS

Principles

- Our music school aims to provide music lessons to as many children as possible. Parents' financial constraints shouldn't be an obstacle to this opportunity, which is why we offer scholarships.
- Regular attendance and preparation are essential for children attending lessons.
- There are no extensions of music lessons.
- Scholarship may be awarded for one subject only.
- Only children and students who benefit from the subsidised tariff are supported.
- There is no entitlement to a reduction in tuition fees.

What must be submitted?

- Submit a written application to the school management.
- Application deadlines: 01 June for the first semester of the school year / 01 December for the 2nd semester of the school year.
- Late or incomplete applications will not be considered for the current semester.
- Please enclose your most recent tax invoice (provisional or final) and your most recent final tax invoice with your application.
- Scholarship applications are valid for one school year and must be submitted each school year by June 1 at the latest. Scholarships are not automatically renewed.
